On the preceding page the seniors honored a former classmate. This page is to salute Mr. Tom Mouro who has advised the Class of 1970 for two years. Mr. Mauro came to DeWitt from South Bend, Indiana.

In his first year at DeWitt, Mr. Mauro was assigned as sponsor for the Class of 1970, then juniors. He gave them a spark of enthusiasm that by the end of the year had burst into flame. The class put on the Prom last year. It attracted the largest crowd in the history of a DeWitt Prom.

This year, in addition to teaching, he is again advising the Class of 1970. Mr. Mauro is also Student Council Advisor and has directed an all-school play.

Under Mr. Mauro, the seniors put on the Christmas Ball, "Yuletide Dreams," a "first" for DeWitt. The Student Council sponsored an assembly featuring a rock band, the "Free Fare."
