

BOBBIE FRECHEN

The chauffeur of the
class was he,
The girls cry "Bobby"
and there he'd be.

GRACE WIRTH

Toward the East she cast
her eyes,
For she believes there
her future lies.

KENNIE HAFNER

He does not know the
meaning of love,
He likes all girls
but not "enough."

MARIE RADIMACHER

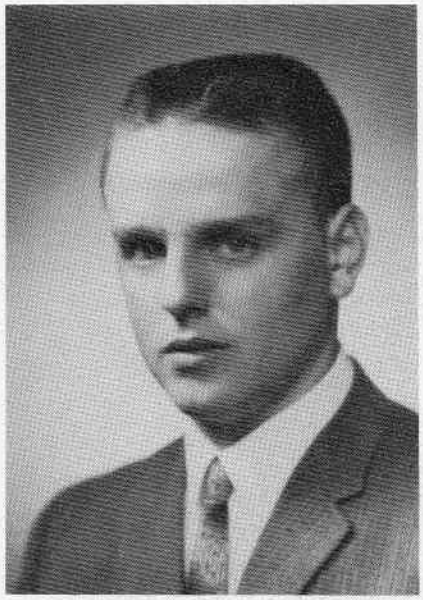

In sewing and painting
she did excel
In neighboring towns
she did equally well.

Graduation

brings us to the

World

of tomorrow

JAMES FOX

An outdoor man he plans
to be,
If all the girls will
set him free.
