What were your feelings before becoming a senior?

My feeling was that I can't believe I am this old already. It was just yesterday when I was thinking about how the seniors seemed to have their lives totally figured out. Now I know the truth: they still do not have a clue!

What was your favorite memory of high school?

Going to the finals at the Rose my senior year and getting runners-up for the first time since 1991.

What was your most memorable Friday night?

When we had about 20 cars following each other through town. We went from one end of the town to the other. When we got there, we all got out and started jampiling.

What are your plans after high school?

I plan on visiting many places this summer before I go to college like New York. I plan on attending MSU to become a vet.

I am going to go to college and play baseball. I am going to party and have fun. When I am done with college, I want to go into some field of engineering.
