What are your plans after high school?

I hope to move out of the house and go to a college or institute. I would also like to live in a dorm and have a lot of fun.

What was your favorite memory of high school?

On our way back from L.C.C one day Courtney and I talked April into driving into the ditch which ended up being deeper than what it looked. Mel woke up and had no idea what was going on when some creepy truck guy tried to help us.

I plan to go to college to be an elementary teacher. I would also like to skydive and learn to play the guitar.

Going sledding with all of my buddies. It was something new and exciting that we had never tried. We had a couple of minor accidents, but everyone walked away smiling.

What was your most memorable Friday night?

When Emily got her speedometer up to 80 mph and we weren't going anywhere because of the ice. Mike and Joe helped us out and we went in the ditch. Her dad was really mad.
